

Screaming Eagles Song Sheet

The Nest is full of men, women and children who have made the leap from being just spectators to being active supporters of D.C. United at RFK Stadium. Nest Dwellers unite together to stand, sing and cheer for the full 90 minutes of the game. We also use our creativity to design banners, flags and other visual effects to show our support of the team. If you are new, please use the song sheet below and follow the drumbeat and just jump in when new chants are started (if there is a lull, feel free to start a chant).

To keep the Nest enjoyable for ALL, there are a few simple rules:

- the Nest sections are not general admission
- we cheer in support of our players
- no tossing of any ITEMS, liquids or otherwise (with the exception of streamers)
- no incendiary devices
- no fighting

Being a 12th Man means you will lose your voice, your body will ache afterwards and you might miss some of the action. However sharing the experience of a United victory with your fellow Screaming Eagles makes it all worth while!
